

MINI Press-release

Announcing the DVD release of Wave Sailing Secrets Revealed and www.wavesailingsecrets.com . This DVD was created to give the weekend warrior a solid understanding of the fundamentals of wave sailing, as well as challenge the advanced/expert sailors in the jumping sections. Chapters include: Getting Out, Wiping Out, Right of Way, Catching Waves, The Bottom Turn, The Top Turn, Smacking the Lip, Aerials, The Forward Loop, Back Loop, Push Loop, and Advanced Aerials. AMAZING FOOTAGE! Specially designed POV cameras capture sailing and big jumps from the sailor's point of view! Also check out the FANTASTIC WEB SITE! www.wavesailingsecrets.com has video previews, online store to purchase the DVD, Ipod downloads and community building forums and more! A MUST SEE! The DVD is currently for SALE at www.wavesailingsecrets.com and priced at discount until at \$29.95 with free shipping until July 31! Buy it TODAY!
